**Oh my..... It seems I haven't updated our NEWS page for quite some time!
I'm so sorry... I think it is probably due to the moment of madness back in 2021 when I set myself the task of completing 50 challenges over 50 weeks to raise money for Motor Neurone Disease Association.... 50 weeks and £3,500 later, the challenges are done (although the Just Giving page is still open over at <https://www.justgiving.com/fundraising/tamaraturchet>)**

So now.... here's some news!

The first block of Masterclasses ran from November 2021 through to March 2022 - and proved popular for Front Crawl and Breast Stroke swimmers. The next block is now scheduled (details over on the 'Sessions Available' Tab) with a different masterclass running on the 2nd Tuesday of the month at the pool in Milton Road in Swindon

In other news...

Tamara joined forces with Eleanor Jones at Lake 86 to organise the first 'Winter Swim Tribe at Lake 86' group... a friendly sociable group of swimmers with bright gold or green beanies who pledged to swim at least twice a month through the winter in exchange for some random giveaway prizes, a fab beanie, an eco friendly key fob (way cooler than a medal!) and a very bespoke and desirable certificate. We're looking forward to the Easter weekend when the water hopefully will start to warm up a bit and we will be announcing our first Lake 86 Winter Swim Champion... Keep an eye on our Social Media Pages for more!
